**Subject:** Seeking comment on House Science Colorado spill letter

Hi Melissa,

I hope all is well. I just received this [letter](#) from the House Science, Space and Technology Committee regarding the Animas River spill and requesting an EPA briefing next week. Does EPA have any comment on the letter at the moment?

I'd look to write this for tomorrow morning, so if anything's possible this evening that would be excellent. Thanks in advance for any help.

Thanks,  
Kevin
